1. CONFIGURATION

The configuration section shows three panels (1, 2, 3) with dimensions and component layouts. Panel 1 is 360mm wide, panel 2 is 650mm wide, and panel 3 is 550mm wide. Each panel has a height of 1200mm. The diagrams show the placement of drive modules, control units, and motor cables. To the right of the diagrams are two inset diagrams: 'Redressed panels 1 2 3' and 'Surface-mounted panels 1 2 3', showing the panels mounted on a stand.

2. BASE PACKAGE
